Division 2—Guide to this Act

7B Guide to this Act

- This Act regulates providers who provide courses to overseas students.

- A person who provides a course at a location to an overseas student must be registered to provide that course at that location (or do so in accordance with an arrangement with a provider who is so registered).

- This Act, the national code, the ELICOS Standards and the Foundation Program Standards impose obligations on registered providers, including obligations relating to record keeping and financial requirements.

- In particular, there are obligations on registered providers when the provider or an overseas student of the provider defaults, and does not start or finish a course. The provider is required to provide a refund to the student. For a provider default, the provider may instead provide an alternative course for the student at the provider’s expense.

- If a provider that has defaulted does not discharge its obligations to an overseas student, the TPS Director must provide the student with options for suitable alternative courses (if any such courses are available).

- In the case of a default, a call is made on the Overseas Students Tuition Fund to pay for alternative courses, or to provide refunds to students, if providers have not already done so.
Part 2—Registration of providers

Division 1—Guide to this Part

8A Guide to this Part

- A person who provides a course at a location to an overseas student must be registered to provide that course at that location (or do so in accordance with an arrangement with a provider who is so registered).

- Division 2 creates an offence for a person who contravenes that requirement. It is also an offence for a registered provider to offer courses, or hold itself out as able to provide a course, to overseas students without being appropriately registered (or doing so in accordance with an appropriate arrangement).

- Division 3 provides for the registration of providers by the ESOS agency for a provider. A provider may be registered (for a period of up to 7 years) to provide one or more courses at one or more locations to overseas students if the provider meets the registration requirements. Conditions may be imposed on the registration of a provider and those conditions may be varied or revoked.

- Division 3 also provides for the renewal of registrations, the addition of one or more courses at one or more locations to a registered provider’s registration and the extension or continuation of registration periods in certain circumstances.

- Division 4 requires the Secretary to cause a Register to be kept that contains specified information about the registration of all registered providers. The Secretary is also required to ensure that the Register is kept up-to-date.

Note: If a registered provider breaches this section, the ESOS agency for the provider may take action under Division 1 of Part 6 against the provider.

Note: A registered provider is liable for an annual registration charge: see section 5 of the Education Services for Overseas Students (Registration Charges) Act 1997.

(2) If the registered provider does not comply with subsection (1), the Secretary must give the provider a written notice that:

(a) specifies the amount of the annual registration charge that the provider is liable to pay; and

(b) states that the provider must pay that amount by the end of the seventh day after the notice is given to the provider; and

27 Tuition fees

(1) A registered provider must not receive, in respect of an overseas student or intending overseas student, more than 50% of the student’s total tuition fees for a course before the student has begun the course.

      (i) the student;
      (ii) a person who is responsible for paying those fees; or
   (b) the course has a duration of 25 weeks or less.

28 Obligation for registered provider to maintain account

   Requirement to maintain account

(1) A registered provider who receives, in respect of an overseas student or intending overseas student, tuition fees for a course before the student has begun the course must maintain an account in accordance with this section.

   Note: Providers covered by section 31 are not required to comply with this section.

   Account to be maintained with an Australian ADI

(2) The account must be maintained with an Australian ADI (within the meaning of section 9 of the Corporations Act 2001).
29 Obligations in relation to account money

Tuition fees received before course begins to be paid to credit of account

(1) A registered provider who receives, in respect of an overseas student or intending overseas student, tuition fees for a course before the student has begun the course must pay the fees to the credit of an account maintained in accordance with section 28.

Note: Providers covered by section 31 are not required to comply with this section.

(2) The provider must pay the fees into the account within 5 business days of receiving the fees.

Note: For the definition of business day, see section 2B of the Acts Interpretation Act 1901.

Requirement in relation to withdrawing money from account

(3) The provider must ensure that, at all times, there is a sufficient amount (the protected amount) standing to the credit of the account to repay all tuition fees to every overseas student or intending overseas student (a relevant student):

(a) in respect of whom tuition fees have been paid to the provider; and

(b) who has not yet begun the course that the provider is to provide to the student.

(4) An amount may be withdrawn from the account, so as to reduce the balance of the account below the protected amount, only if:

(a) the amount is withdrawn to pay a refund under section 46D, 47D or 47E to, or in relation to, a relevant student; or

(b) both of the following apply:

(i) the provider arranges, under section 46D, for a relevant student to be offered a place in an alternative course at the provider’s expense;

(ii) the amount is withdrawn to pay the alternative provider in relation to the relevant student; or
Section 30

(c) the amount is withdrawn to pay the TPS Director under section 50C in relation to the relevant student.

Note 1: Tuition fees of a relevant student cease to be part of the protected amount (and may therefore be withdrawn from the account) once the student begins the course that the provider is to provide to the student: see subsection (3).

Note 2: There are no limits on withdrawals from the account as long as the balance of the account remains above the protected amount.

(5) An amount withdrawn in accordance with subsection (4) must not be more than the amount of the tuition fees received by the provider in respect of the relevant student before the student begins the course.

Account money not available for payment of debts etc.

(6) To avoid doubt, the protected amount:

(b) is not liable to be attached or taken in execution under the order or process of a court at the instance of any creditor of the provider, other than as referred to in subsection (4).

30 Regulations

The regulations may provide additional requirements in relation to:

(a) tuition fees for a course received by a provider, in respect of an overseas student or intending overseas student, before the student has begun the course; or

The following kinds of provider are exempt from the requirements in sections 28 and 29 and in regulations made under section 30:

(a) a provider that is administered by a State education authority;
Section 32

(b) any other provider that is entitled to receive funds under a law of the Commonwealth for recurrent expenditure for the provision of education or training, other than one excluded by the regulations from the scope of this paragraph;

(c) any other provider specified in the regulations.

To avoid doubt, any private corporate body established in connection with a provider covered by paragraph (a) or (b) of this section is not itself, by virtue of that connection alone, a provider covered by that paragraph.

32 Offence

(1) A person commits an offence if:

(a) either:

(i) the person is a registered provider; or

(ii) if the registered provider is an unincorporated body—

the person is the principal executive officer of the provider; and

(b) the person engages in conduct; and

(c) the conduct contravenes a requirement of section 28 or 29; and

(d) the provider is not covered by section 31.

Penalty: 60 penalty units.

(2) To avoid doubt, subsection (1) does not apply if a person contravenes a requirement of regulations made under section 30.

(3) Subsection (1) is an offence of strict liability.

Note: For strict liability, see section 6.1 of the Criminal Code.
Part 4—The national code

Division 1—Guide to this Part

33A Guide to this Part

- The Minister makes a national code under this Part.
- The purpose of the national code is to provide nationally consistent standards and procedures for registered providers and persons who deliver educational services on behalf of such providers.
- Enforcement action (such as imposing conditions, or suspending or cancelling a registration) can be taken under Part 6 in relation to a registered provider who breaches the code.
Division 2—The national code

33 The national code

(1) The Minister may make a national code by legislative instrument.

Note: The Minister may amend the national code by legislative instrument: see subsection 33(3) of the Acts Interpretation Act 1901.

(2) The code is to be called the National Code of Practice for Providers of Education and Training to Overseas Students.

(3) The Minister must ensure as far as practicable that there is a national code in force at all times.

34 Purpose of the national code

The purpose of the national code is to provide nationally consistent standards and procedures for registered providers and persons who deliver educational services on behalf of registered providers.

38 Contents of the national code

The national code must contain some or all of the following:

(b) standards and procedures required of registered providers in providing courses to overseas students;

(d) standards required of registered providers in connection with their dealings with their agents;

(e) standards required of a registered provider of a course in connection with the provider’s dealings with other providers of the course;

(g) standards and procedures required of registered providers in making agreements with overseas students or intending overseas students;

(h) standards required of the content of such agreements;

(i) any other matters that are necessary or convenient to give effect to the purpose of the national code.
Part 4  The national code
Division 2  The national code

Section 40

40 Legal effects of the national code

The only legal effects of the national code are the effects that this Act expressly provides for.

Note: This Act provides that compliance with the national code is a prerequisite for registration (see section 11) and that sanctions under Division 1 of Part 6 may be imposed on a registered provider who breaches the national code.

41 Notification of the national code

(1) The Secretary must give each registered provider written notice of:
   (a) the making or amendment of the national code; and
   (b) the day on which the code or amendment takes effect for the provider; and
   (c) the way in which the provider can get access to the text of the code in force on that day.

(2) A notice given under subsection (1) is not a legislative instrument.

(3) However, a breach of this section does not affect the validity of the national code or an amendment of the code.

44 Regulations may prescribe penalties

(1) The regulations may make it an offence to breach prescribed provisions of the national code.

(2) The offence must be punishable by a fine of no more than 10 penalty units.
Part 5—Tuition protection service

Division 1—Guide to this Part

45 Guide to this Part

- This Part sets out what happens when a registered provider or an overseas student or intending overseas student defaults (that is, when a provider fails to start or finish providing a course to a student, or a student fails to start or finish a course with a provider).

- Division 2 sets out the obligation on registered providers to provide refunds to students. In the case of a provider default, a registered provider may instead provide alternative courses for the students at the provider’s expense.

- If a provider defaults and fails to discharge its obligations to a student under Division 2, then, under Division 3, the TPS Director must provide the student with options for suitable alternative courses (if any such courses are available).

- Under Division 4, payments can be made out of the Overseas Students Tuition Fund to refund students, and to reimburse providers who provide students with alternative courses, when a provider has failed to discharge its obligations. (This is called making a call on the OSTF.)
Section 46A

   (b) a person (other than the student) is specified in the agreement entered into between the provider and the student under section 47B;

   the specified person, rather than the student, may recover the amount as a debt by action in a court of competent jurisdiction.

(3) This Division does not affect any liability that a provider has apart from this Division to pay an additional amount to the student.
Division 3—Student placement service

49 Student placement service

(1) This section applies if the TPS Director determines that:
   (a) a registered provider (or former registered provider) has defaulted in relation to an overseas student or intending overseas student and a course at a location; and
   (b) either:
       (i) the provider has failed to discharge its obligations under section 46D to the student by the end of the provider obligation period; or
       (ii) the provider is unlikely to be able to discharge its obligations under section 46D to the student by the end of the provider obligation period.

Suitable alternative courses

(2) If any suitable alternative courses are available, the TPS Director must provide, in writing, the student with one or more options for such alternative courses.

Accepting an alternative course

(3) If a registered provider of an alternative course referred to in subsection (2) offers the student a place in the course, the student may accept the offer.

Note: A call is made on the OSTF to pay the provider of the alternative course: see Division 4.

(4) An acceptance must:
   (a) be in writing; and
   (b) be made within the period specified in subsection (5).

(5) For the purposes of subsection (4), the period is:
   (a) the period of 30 days after the end of the provider obligation period; or
(b) if the TPS Director determines that exceptional circumstances apply:
   (i) any shorter period determined in writing by the TPS Director; or
   (ii) any longer period determined in writing by the TPS Director, and agreed to by the student.

*Legislative instrument*

(6) The Minister may, by legislative instrument, specify criteria to be applied in considering whether a particular course is a suitable alternative course for the purposes of this Act.
Division 4—Calls on the OSTF

50A When a call is made on the OSTF

(1) This section sets out when a call is made on the OSTF.

Provider default, no place accepted by student

(2) A call is made on the OSTF if the TPS Director determines that:

(a) a registered provider has defaulted in relation to an overseas student or intending overseas student and a course at a location; and

(b) the provider has failed to discharge its obligations under section 46D to the student by the end of the provider obligation period; and

(c) the student has not accepted a place in an alternative course in accordance with section 49.

Provider default, place accepted by student

(3) A call is made on the OSTF if the TPS Director determines that:

(a) a registered provider has defaulted in relation to an overseas student or intending overseas student and a course at a location; and

(b) the provider has failed to discharge its obligations under section 46D to the student by the end of the provider obligation period; and

(c) the student accepts a place in an alternative course in accordance with section 49.

Student default, refund not provided by registered provider

(4) A call is made on the OSTF if the TPS Director determines that:

(a) a student has defaulted in relation to a course provided by a registered provider at a location; and
Section 50B

(b) the provider fails to provide a refund in accordance with section 47D or 47E (as the case requires) by the end of the provider obligation period.

No call on the OSTF after a year

(5) A call is not made on the OSTF if the time when the TPS Director becomes aware that the circumstances described in subsection (2), (3) or (4) may exist is more than 12 months after the relevant default day.

50B What the TPS Director must do when a call is made

TPS Director must pay amount

(1) If a call is made on the OSTF, then, as soon as practicable, the TPS Director must pay out of the OSTF an amount equal to the amount that the provider must still pay in order to satisfy the refund requirements under Division 2.

Note: The TPS Director pays the amount to the person specified in subsection (3).

(2) If the student accepts a place in an alternative course in accordance with section 49, the TPS Director may spend more than the amount of that refund entitlement if the TPS Director considers that to do so:

(a) would best protect the interests of the student; and
(b) would not jeopardise the sustainability of the OSTF.

Who TPS Director pays amount to

(3) The TPS Director must, in accordance with a legislative instrument made under subsection (5), pay the amount to:

(a) if the student has accepted a place in an alternative course in accordance with section 49—the registered provider of that course; and
(b) if a refund was required to be paid under section 47D, and a person (other than the student) is specified in the agreement.
made with the student under section 47B to receive any refund under this section—the specified person; and

(c) otherwise—the student.

(4) If:

(a) the TPS Director is required under subsection (3) to pay a registered provider for providing an alternative course; and

(b) the amount required to be paid is more than the cost of the course;

the TPS Director must pay the difference to the person specified in paragraph (3)(b) or (c) (as the case requires).

Legislative instrument

(5) The Minister may, by legislative instrument, specify requirements for payments made under this section.

50C Consequences of a payment under section 50B

Cessation of claim

(1) If:

(a) either:

(i) a registered provider defaults in relation to an overseas student or intending overseas student and a course at a location; or

(ii) an overseas student or intending overseas student defaults in relation to a course provided by a registered provider at a location; and

(b) the TPS Director pays an amount in accordance with section 50B in relation to the student;

the student, and any person specified in paragraph 50B(3)(b), cease to have any claim against the provider in respect of the student’s fees to which the refund requirements under Division 2 relate.
Provider must pay back TPS Director

(2) Instead, the provider must pay the TPS Director an amount equal to the amount that the TPS Director paid under section 50B.

Note: For providers who are required to maintain an account in accordance with section 28, the amount might be paid out of the account: see section 29.

(3) The TPS Director may recover that amount from the provider as a debt due to the Commonwealth by action in a court of competent jurisdiction.

TPS Director may enforce security

(4) If the provider had granted the TPS Director a charge or other security over any of its assets, the TPS Director may enforce the charge or security in satisfaction, or partial satisfaction, of the debt.

Former registered providers

(5) This section continues to apply to a provider if the provider ceases to be a registered provider.

50D TPS Director to notify Immigration Secretary

(1) The TPS Director must notify the Immigration Secretary, in accordance with a legislative instrument made under subsection (3), as soon as practicable if the TPS Director provides a refund to a person specified in paragraph 50B(3)(b) or (c).

Note 1: This section constitutes authorisation for the purposes of other laws, such as paragraph 6.2(b) of Australian Privacy Principle 6.

Note 2: The Immigration Secretary’s power under this section can be delegated under section 170.

(2) The notice must include the name of the overseas student or intending overseas student in relation to whom the refund was provided.

(3) The Minister may, by legislative instrument, specify requirements for a notice given under this section.

A determination by the TPS Director of an amount of TPS levy payable by a provider or registered provider under subsection 53A(1) is also subject to review by the Administrative Appeals Tribunal.

#### 169AB  Reviewable decisions

Each decision referred to in column 1 of the following table is a *reviewable decision*. A provider or registered provider referred to in column 2 of that table in relation to a reviewable decision is the *affected provider* for the decision.

Endnotes

Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes
Endnote 2—Abbreviation key
Endnote 3—Legislation history
Endnote 4—Amendment history

Abbreviation key—Endnote 2
The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4
Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes
The Legislation Act 2003 authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments
A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can
be given effect as intended, the amendment is incorporated into the compiled
law and the abbreviation “(md)” added to the details of the amendment included
in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the
abbreviation “(md not incorp)” is added to the details of the amendment
included in the amendment history.
