R U OK? DAY™

A conversation could change a life.

R U OK? Day is a national day of action dedicated to reminding everyone to ask, "Are you OK?" and to remember every day of the year to support people who may be struggling with life's ups and downs.

Whenever you notice a change, no matter how small, trust your gut and start an "Are you ok" conversation.

This is also a day to think about self-care and how you can take care of yourself and your emotions.

Learn the signs and how to ask at ruok.org.au
