

# Pre-Course Testing Factsheet

To ensure the best possible learning outcomes for our students, Navitas English's policy is to find out the language skill level of each student so we can place them in a suitable class. This is particularly important for Cambridge, IELTS, and Academic English, which begin at higher levels. Therefore, Navitas English provides the following options for you to demonstrate your language skill level before you begin studying with us:

## General English

### Option 1

Take a Placement Test on the first day at your Navitas English centre.

### Option 2

Send us an official Cambridge, IELTS, or TOEFL result certificate that meets Navitas English entry requirements. Please scan the results and email to: [admissions@navitasenglish.edu.au](mailto:admissions@navitasenglish.edu.au)

## Cambridge & IELTS Preparation

### Option 1

Take a Pre-Course Test before starting studies. The Pre-Course Test must be taken under controlled conditions at your agent's office.

This option guarantees confirmation of a place in the course at your selected centre before arrival.

On the first day at Navitas English there is a diagnostic assessment to help our teachers understand your strengths and areas for development during the course.

### Option 2

Send us an official Cambridge, IELTS, Pearson or TOEFL result certificate that meets Navitas English entry requirements. Please scan the results and email to: [admissions@navitasenglish.edu.au](mailto:admissions@navitasenglish.edu.au)

### Option 3

Take a Course Placement Test on the first day at your Navitas English centre.

If you choose Option 3 but do not pass the Course Placement Test, you may join an available course that is appropriate for your level, such as a lower level Exam Preparation course or General English.

## Academic English

### Option 1

Send us an official Cambridge, IELTS, PTE Academic or TOEFL result certificate that meets Navitas English entry requirements. Please scan the results and email to: [admissions@navitasenglish.edu.au](mailto:admissions@navitasenglish.edu.au)

### Option 2

Take the Navitas English Entry Test at one of our Navitas English centres in Australia.

### Option 3

Take the Versant Test or the Navitas English Entry Test under controlled conditions at your agent's office (from January 2024). On the first day at Navitas, you will have a speaking assessment with a senior teacher. You may be required to do another written assessment if there are concerns about your level of English but you will be fully supported with study advice.

### Option 4

Choose a test exemption study plan by studying General English prior to Academic English. The duration of General English depends on your English level, and progression to Academic English is conditional on meeting course entry requirements.

For example for Academic English 2, study:

- 20 weeks General English + Academic English 1 + Academic English 2
- For Academic English 3 study: 20 weeks General English + Academic English 1 + Academic English 2 + Academic English 3
