

AE

Do you want
to chase your
dreams of
Studying in
Australia?

For over 40 years, Navitas English has been teaching students to reach their education and career goals via our Academic English course.

Our reputation as a solid provider of quality is second to none and we have built our success on core beliefs of bespoke quality teaching and excellent support which will ensure you reach your potential quickly and effectively.

Your journey will be stimulating and challenging but you will grow from the moment you start your studies with us.

Not all English courses are created equally!

Our Academic English course has been developed to target **two core** areas to optimise learning, making our course a class leader in Australia. It's the key to access studies and set you up for your future.

Academic English is **certified** to meet 70+ pathway partners' entry requirements – this means when you **successfully** complete Academic English you will start your university, college or TAFE studies **without needing** to take an English language test such as IELTS or PTE-Academic.

In the first year at university, college or TAFE we know you may **struggle** which could lead to **dropping out**. Our course has been designed to prevent this, ensuring any **investment** you make is **not wasted**. You will develop knowledge of how to research effectively, becoming an expert in time management expanding your **critical thinking**. You will learn the same learning management and **referencing systems** used across most universities and colleges in Australia. This means you have a **head start** from day one.

Unlike others, Navitas English will always be there for you, **that's our promise**. We will provide you with English language support into the future. Yes, we are here to offer **free support** for as long as you need us in your future studies.

What does this mean for you?

Not only does Navitas English grant you access to **multiple educational** providers in Australia, opening up your educational & career potential, we provide you with the **perfect foundation** for studies in your first year at university, college or TAFE.

You will develop the **tools** and **experience** and become more **effective** at studying, researching and completing your assignments. You will **navigate online systems** quickly and with confidence. Your independence will grow and you will learn the importance of Australian **standards** and **academic integrity**.

This level of detail, support and focus from our Academic English course is **guaranteed** to provide you the best foundation for your future studies. Unlike any other English test program, our **premium course** curriculum will help you **develop** the fundamentals for your future **career** and **through life**.

Top 12 things you need to know about our Academic English Course

- 1 It's a multi-level course designed and created by Navitas English with a dual core focus.
